

Maine Youth Action

Join us as a Field Organizer!

Maine Youth Action is a youth-led organization fighting for bold, equitable and intersectional climate policy through electoral and legislative work at a statewide level. We need you in order to mobilize action throughout the state!

As a field organizer, you would get the chance to:

- Connect Maine Youth Action to people in your community
- Organize fun events and workshops in your community
- Take tangible action on the climate crisis
- Attend monthly Volunteer Corps Calls
- Attend Maine Youth Action events
- Meet people like you who care about climate change and are taking action!

Are you interested?
